— HALIBURTON COUNTY'S OWN AND ONLY NEWSPAPER —

VOL. LX, No. 50

HALIBURTON, ONTARIO Thursday, December 17, 1953

Established in 1882 as the Minden Echo and Haliburton Recorder 50c PER COPY

What DYSART COUNCIL Did

A final meeting of the Dysart Municipal Council was held on Monday last in the Community Hall Haliburton with all members present.

The minutes of the previous meeting were approved and accounts were passed.

The Haliburton M.H.A. was granted a permission to hold a tag day on Saturday.

The Hydro Contracts of Mr. Walter Mark and Roy LeBoutillier were approved.

A letter was received from the Haliburton Development Co. expressing their appreciation for the co-operation that they had received from the council during the past year.

A motion was passed to prepare a By-Law for the closing of the road allowance which runs between the properties of Mr. Cliff Inglis & Bert Howe.

It was decided that in the future all applications for telephones must be approved by the council.

Mr. Stuart Wilson of West Guilford was appointed as representative of the council on

the sports committee. Messrs. Roberts, Sherk and Godson appeared before the council to seek assistance re the building of a new road to the proposed development at Redstone Lake. Owing to the fact that four other such enterprises are in the making it was decided to arrange for a meeting with the Hon. L. M. Frost and Mr. L. Boucher of the Dept. of Highways with a view of finding out what assistance might be forthcoming in the way of road subsidies for projects such as these.

Dr. H. P. Bishop was re-appointed to represent the municipality on the Haliburton District High School Board.

At the conclusion of the meeting members of the council expressed to Harold Black the retiring Reeve — their appreciation of his services. Reeve Black thanked the council for their kind co-operation and extended best wishes to Roy Brohm, Reeve elect and his new council.

Jack Kellett Called By Death

Haliburton citizens were saddened on Monday last when it was learned that Jack Kellett had passed away.

The deceased who had been in seemingly good health until about a week ago when he suffered a heart attack. He was brought to the home of his brother Walter Kellett on Thursday last where he suffered several more attacks but was thought to be recovering when at 3 o'clock on Monday afternoon he passed away.

The late John James Kellett who was in his 57th year was born and had lived in Haliburton for the greater part of his life except when he was overseas in the first great war and later when he was making a name for himself in the entertainment world as Capt. Larry O'Brien.

Many of us find it hard to believe that the golden voice which had often thrilled us with his rendition of Galway Bay and other Irish songs is forever still.

To the sorrowing wife Margaret and little son Hugh as well as the members of his family who survive, the Echo joins his great circle of friends in extending their deepest sympathy in this — their hour of great sorrow.

Minden Rotary

Minden Rotary met as usual Mon. evening although the storm "decimated" a couple of our members. — Speaker of the evening was Lindsay McCarey, district superintendent of the Hydro and he confined his talk to the Niagara - Queenston development now moving forward to completion.

To visage this development it is almost necessary to borrow such words as "stupendous" & "colossal" from the picture industry to describe it. We find that it will take water from the Niagara river two miles above the Falls & carry it by open ditch and tunnel to a point six miles below, the object being to get a "head" of 292' as compared with only 200' if developed right at the falls this increased head makes possible at least 50 p. c. more power from a given amount of water. Describing the tunnel portion of the canal he pointed out that test pits showed a ceiling of very hard rock at a certain depth and the tunnel or in fact a pair were constructed below this to take advantage of the ceiling. — These tunnels are 250' apart and 50 feet in diameter and required 72,000 tons of steel and 2 million tons of concrete (now we know where the cement all went). The canal coming to the shore of the river at Queenston we find that 12 turbines will be built right into the face of the cliff and when complete will be able to produce 900,000 K.W. per year. He also told of the provision for taking care of the workman which at peak numbered 6,000 — and steps that will be taken to cover the "scar" when work is complete.

At the directors meeting following the regular meeting grants in aid of the following community projects were approved. Library \$75., Juvenile hockey \$100., Band \$100. and Recreation Centre \$250. This latter is in addition to some \$530. spent in the fall

Letters to the Editor

To the Editor

Haliburton County Echo

In your issue dated Thursday Dec. 10 under the heading "Election Day in West Guilford" I note the following: "Naturally we were disappointed that Holly Sisson did not receive more support in the village of Haliburton, but this fact only served to emphasize the point that a newer and fairer electoral system is needed for this municipality." (unquote)

Now any reasonable, intelligent person who cares to study the official election returns will come to the conclusion that the voting citizens of Haliburton distributed their votes in a much more equitable manner than the citizens of West Guilford.

Studying the afore mentioned Hussey - Sisson vote for Deputy Reeve the following facts are deduced without too much effort.

In Haliburton Hussey received 72.54 p. c. of all votes polled for this office while Sisson received 27.46 p. c.

In West Guilford Hussey received 4.18 p. c. of all votes polled while Sisson received 95.82 p. c. We would naturally expect West Guilford to support their own man to the limit, but why berate others elsewhere for doing the same thing? Why not be slightly reasonable if such is possible.

The same lop-sided percentages prevail in the council vote Horsley receiving just a little more than twice the total of all the other candidates together (184 to 81).

Haliburton supports your candidates and that is as it should be in order to get the best government possible but please bear in mind that Haliburton, Eagle Lake or Donald or Harcourt or any other part of the municipality deserve at least equality with West Guilford.

We might just say that if West Guilford were sincere in their cry that more outside representation was needed on the council they sure did not show it at the polls. In the opinion of this writer the continued sniping at the Dysart Council and the good citizens of Haliburton by your West Guilford correspondent serves only to divide and impede the progress of this municipality.

It is wise to practice to some extent what you preach.

Fair Play.

Haliburton, Ontario
December 14th, 1953

The Editor,
Haliburton County Echo,
Haliburton, Ontario.

Dear Sir: —

For the information of your readers, the following is a copy of a letter the Dysart Ministerial Association sent to the Community Hall Board on Dec. 14th, 1953.

"In view of the fact that there is an increasing disregard for the Lord's Day — throughout the country, we feel that all citizens should do their utmost to resist this trend.

We realize that at this time of the year you are faced with the problem of allotting the ice in the Community Arena for various recreational activities. While we are adverse to all organized Sunday recreational activities — we recommend that you do your utmost at least to see that ample time is given to younger children through the week, so that they will not need the ice surface for organized recreational activities on Sunday.

We heartily endorse the

FLASH—

W. Emmerson

Wins In Recount

William Emmerson of Donald over A. H. Curry of Haliburton for a seat on the Dysart Council.

Both men were tied in the voting on Dec. 5th with 386 votes apiece.

In the recount before Judge J. A. McGibbon on Wednesday the official count gave Emmerson 384 votes to 381 for A. H. Curry.

Former Minden

Boy Honored By

T. Eaton Co.

At a dinner in the King Edward Hotel, Toronto, Mr. F. A. Small, a former Minden boy, was honored by Eaton's for 40 years service with the company. He was presented with a silver tray by O. D. Vaughan, the vice president of the firm.

Fifteen other employees, received silver cigarette boxes for having served 25 years

Haliburton Businessmen Meet

A meeting of the Haliburton Businessmen Association was held in the Curling rink on Tuesday evening with the following members present — Mrs. Bernstein, Cliff. Brealey, Russell Dart, Coyle Downer, James Henry, Carl Hussey, John Pollard, Gordon Reynolds, Norm Roberts, Jack Robertson, Dave Steinberg, Moss Robertson and Phurness Watt.

The Pres. R. Dart conducted the meeting with Mr. B. Feir acting as secretary.

The following officers were elected to carry on for the coming year: Pres. R. Dart; Vice-Pres. Carl V. Hussey; Sec'y - Treas. James Henry.

The question of store hrs. for the week beginning Dec. 21 was discussed and the following schedule was adopted:

Monday, December 21st —

8:30 a. m. to 9:00 p. m.

Tuesday, December 22nd —

8:30 a. m. to 9:00 p. m.

Wednesday, December 23rd —

8:30 a. m. to 9:00 p. m.

Thursday, December 24th —

8:30 a. m. to 9:00 p. m.

Fri. Christmas Day - Closed,

Sat. Boxing Day - Closed.

After a thorough discussion as to what hours the stores would be open after the new year commences a new schedule was drawn up which will mean that after Jan. 4th — stores will close at 6 p. m. on Tuesday evenings but will remain open until 9 p. m. on Thursdays.

A complete schedule will be published in our issue of Dec 31st.

Principal Sisco Bereaved

As we go to press — we learn of the death of the Rev. Gordon Alfred Sisco, father of Principal Norman Sisco of Haliburton County District High School.

The Rev. Gordon Sisco was one of Canada's most outstanding churchmen and at the time of his death was General Secretary of the United Church across Canada and a member of the General Council of the Churches of America.

We extend our sympathy to Mr. Sisco in his hour of bereavement.

Minden Couple

Receive

Congratulations

From Queen

Minden — On Thursday, Dec. 10th, Mr. and Mrs. Alf. Langdon celebrated their golden wedding anniversary.

A large number of residents of the community called to congratulate the grand old couple and many messages were received from distant points including a cablegram from the Queen - which read as follows:—

Buckingham Palace,
London, Dec. 9th
To Mr. and Mrs. Alfred Langdon,
Minden, Ontario.

I have received the Queen's command to send you Her Majesty's warm congratulations and good wishes on the occasion of your 69th wedding anniversary.

The Private Secretary
to Her Majesty

A letter of congratulations from Rt. Hon. Louis St. Laurent, the Prime Minister of Canada and a plaque from the Ontario Government were also received.

Mrs. Langdon celebrated her 93rd birthday on Dec. 4 and Mr. Langdon will be 91 on Jan. 10th next.

They are enjoying quite good health and take a keen interest in all the affairs of the community.

The Echo extends hearty good wishes to Haliburton County's oldest couple and wishes them continued health and happiness.

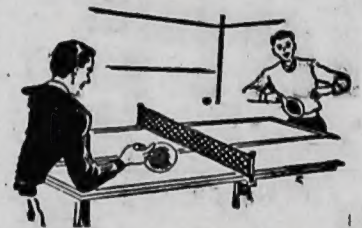

C. Inglis Injured

Mr. Cliff. Inglis of Haliburton received a severe head injury last Thursday while snowplowing in the vicinity of Tory Hill for the Dept. of Highways. It was reported that the V snow plow dug in to the gravel road stopping the plow suddenly throwing the injured man against the windshield causing a laceration of the forehead. After being treated for first aid by Mrs. R. H. Anderson Sr. of Tory Hill, the injured workman was taken to Haliburton Red Cross Outpost. Medical attention was given by Dr. L. H. Carroll immediately on admittance.

(Continued on page 8)

COUNTY SPORTS

Loose Ends from the Sports Editor's Desk

Another week has passed and it's time now to look in on what has happened in sports in the county since last Thursday. — One of the of the biggest discussions at the present time seems to be whether we will have ice in the local arenas before Christmas. At time of writing this column we would say — that it will be after Christmas before the season gets underway. This has been a very mild winter up to this time and the hockey season may be a little late getting underway.

From latest reports we learn that some of the members of last season's Haliburton Figure Skating Club will be missing this season but new members are expected to take their place.

We have heard rumours that their seems to be some dissention in the Gravenhurst Indian's line up. The sports writer of the Muskoka Herald hopes that it can't be as bad as it was described to him. — This may be good news to the Minden Monarchs who have always found the Indians very stiff opposition.

The followers of the Minden Monarchs will be pleased to learn that Bucko MacDonald is back coaching the Sundridge Beavers. — Bucko seems to make a hit wherever he goes whether its on or off the ice.

The Haliburton Minor hockey will stage their tag day this Saturday. Give all you can to help minor hockey in Haliburton and surrounding district.

The new hockey coach - Mr. George Abbott is a very busy man these days lining up all the players in all age groups for the coming hockey season. He has been holding meetings in several of the villages around & he was very sorry that he had to miss the meeting at Wilberforce due to bad road conditions.

Haliburton Figure Skating Club

Instructor: Mr. Russell Masters of Orillia.
Classes: Start Sat. Jan. 2 from 1.30 to 3.30 p. m.
The Executive:
Pre.: Mrs. M. Robertson;
1st Vice-Pres. Mrs. H. Bishop;
2nd Vice-Pres. Mrs. R. Curry;
Sec.-Treas.: Mr. N. Roberts.
Board of Directors:
Mrs. P. Watt
Mrs. O. Henderson
Mr. Stan Parish
Mrs. L. Carroll
Mrs. H. Burke
Mrs. Ted Brooks
Mrs. C. Elstone
Mrs. G. Austin
Mrs. Alex Henderson

Tickets \$5.00 for the season which includes the lesson and two practice periods during the week. If more than one child from a family takes the lessons, the other tickets come at \$3.00 each. — Tickets available from Mrs. Norman Roberts or any member of the Board of Directors

We have been asked to announce that any hockey players who are interested in playing for Haliburton in the Little N. H. L. this season to get in contact with B. Litchfield or Lennie Salvatori. — They must have the names right away so hand your name in now.

There was no winner at the Haliburton Huskies Bingo held in the Community Hall last Tuesday night. The Huskies Bingos are being held every Wednesday night in the Community Hall. Four of the Haliburton Huskies saw a great hockey game in Toronto last Wednesday between the Leafs and the Montreal Canadiens. — That was the game in which a record number of penalties were handed out. The Newmarket Spitfires and the Bracebridge Bears played to a six all tie in Bracebridge last week. It was an exhibition game. — Tonight we make this prediction that the Haliburton Huskies will be in better condition this season then they have been any time in the past. Coach Abbott will see to this. The Haliburton Huskies were very fortunate again this year to have most of their home games on Saturday night. If we don't soon get some cold weather the Tri-County hockey league schedule may be a little late getting underway. The Huskies hope to line up some good exhibition games this season to play between scheduled dates. We heard some of the local hockey brass talking the other day and they all seemed of the opinion that hockey in Haliburton — has to be started at the bottom. And with the new coach here, now is the time to start to build. If we can ever get to the point that we can bring players up every year from squirt up through the ranks to the Huskies. This way we will be developing players to get together a few championship teams. The present Huskies can't go on forever, someone must come up to take their places.

Monarchs Hold First Practice

The Minden Monarchs took to the ice at Bracebridge on Sunday afternoon last for their first practice of the season. Norm. Whitney & Esten Watt, the two new men recently signed were there to skate with the team. For an hour and a half the Monarchs concentrated on getting their skating legs and finding the range with their shots. Considering it was their first practice, the Minden team looked good and after next Sunday's practice they should be well on their way to being set for the coming ice battles.

Coach Abbott Holds Hockey Schools

Two Hockey Schools were conducted by Mr. Abbott — one was held in Wilberforce, and the other at West Guilford. The new hockey coach reports as follows: — A fine group of eager hockey aspirants and hockey fans welcomed us to Wilberforce Community Centre. They were very proud of their new arena, also very eager for us to go on a tour through the building. We were very impressed with the large dressing rooms equipment lockers heating facilities and rooms for the public to use. It is a very clean arena, one to delight the hockey fans and increase their interest in recreation activities that are held in such a delightful atmosphere. Mr. Abbott said, that he was greatly surprised at the spirit of friendliness of the people toward Haliburton. They said, whenever Haliburton is ready to build a new arena, they can count on us to give a helping hand for we do appreciate the way the Haliburton folks helped us to put up this lovely place. This neighbourly spirit is to be appreciated and we are thankful that it does exist. — The new coach started the meeting with fundamentals, as a foundation for young & old players alike. The secret of getting speed out of the skates was revealed. Conditioning of wind and legs was shown to good advantage. — Players were urged to get in to the gym habit in preference to the cigarettes, it has proved to be more beneficial. How to select a stick, gloves and other equipment was illustrated. The 4 important positions of the goal were shown also the correct follow through to correct the aim of the player. He urged the players throughout the meeting to erect home equipment in their yards to aid them to develop more quickly. — The proper shooting distance and goal keeping secrets were talked about as the meeting ended. A hearty vote of thanks was extended to the new coach, and added surprise came to Mr. Abbott in the form of apple pie and coffee. At Eagle Lake the new coach was the guest of Mr. & Mrs. Wilson for a fine dinner. The same type of meeting was held in the school to a good gathering of future hockey greats.

M. H. L. Tag Day This Saturday

Thanks to the Town Council for granting the boys of Haliburton a Tag Day of their own. This tag day will be held on Saturday with all the boys taking part. "Help the little Men in big Arenas by buying a tag". Your donation will help them to buy equipment for their league this year. It's the lads first tag day, help to make it a success when they come to you. Special thanks to Herb Baker for all his work thus far to try and make hockey a success this season.

Monarchs Can Dress 13 Men

In the Muskoka O. H. A. League this winter the player limits will be 13 men, including spare goalie for all games in which a "B" team takes part. With Midland & Parry Sound playing 15 men may be dressed. Monarchs will play in Bracebridge three times with the game of Saturday, December the 26th being Minden's home date although the game will be played at Bracebridge.

Chas. Taylor New Arena Caretaker

The Community Hall and Park Board held a meeting in the Municipal Office last Thursday evening for the purpose of selecting a caretaker for the arena and also to see who would look after the booth.

Five members were present at the meeting: — Jack Robertson, Mrs. Ronald Curry, Roy Brohm, Fred Neimann & Moss Robertson.

When the tenders were opened it was found that 4 were in for the caretakers position while 4 tendered for the booth concession. After giving these tenders much consideration Chas. Taylor — owner of Taylor's cottages — was the man picked to be the new caretaker.

The booth concession went to Herb Baker, one of the Haliburton Huskies hockey players.

The Community Hall and Park Board are expected to meet at a later date to discuss other business for the coming winter.

Dysart Recreation Highlights

The Dysart Recreation Committee held a meeting last Thursday evening in the library of the Community Hall.

Those present were Carl V. Hussey, Mrs. Ronald Curry, Mrs. Merv. Robertson, Roy Brohm, Creighton Feir, Gladys Kingston, Albert LaRue.

The meeting was called by chairman Albert LaRue for the purpose of closing the books for the time being at least. The Recreation Committee disbanded on Thursday night as to such time as a full time Recreation Director might be hired.

At the present time and for the winter months the Haliburton Huskies have brought in their new hockey coach Mr. George Abbott who will look after the hockey teams of all ages. The Haliburton Figure Skating Club have got to the point that they are well organized and can look after themselves. — The equipment belonging to the Recreation Committee is stored as to such time as it may be needed.

At this time we would like to thank the Dysart Recreation Committee for doing so much to further recreation in the Municipality of Dysart.

The Rural Mail? Yes, It's on its way here. We have received word directly from the Post Office Dept., that the delay, owing to a difficulty in obtaining sufficient mail boxes, has been overcome — by the recent arrival of a shipment of 1000 new boxes at the Dept. Persons who have been told to delay sending in forms, may now obtain the forms at your local post office. Send for your box. We are assured that this rural route will go into operation very soon.

Mrs. Sid Sisson has been spending the last week in Peterboro where Sid has had a very serious operation in Civic Hospital, and is now on the road to recovery.

Miss Barbara Sisson arrived in Peterboro from Vancouver last week, for a short visit with her father. She is now at her home in Cranberry Lake, taking charge of household duties.

Miss Evelyn Cooper has left Vancouver on the first lap of her journey home, she will travel by way of California and the south western States.

The Orange Dance at the School on Friday, was attended by a strictly local crowd. - Here was a party in the old fashioned tradition. - With all the married folk taking part in the squares, and the very young trying their steps for the first time, under the encouraging eyes of their parents. The music by Ken Sisson and the Cooper family - kept the party going, — full swing until the draw, for the Turkey at 12. Lucky ticket drawn by tiny Miss Bain fell to Russell Neville of Haliburton.

Mrs. Noel Griffin spent last Thursday in Toronto.

Mr. McLaren and family of Oshawa have moved into R. Horsely's house on the Irish line. Mr. McLaren will soon commence lumber operations on property near the High School.

We may have a white Christmas, but still the lakes are open and the weather is too mild to suit the lumbermen.

Tom Barry with the broken leg is developing his artistic talent, drawing pictures on his cast. Very good ones too.

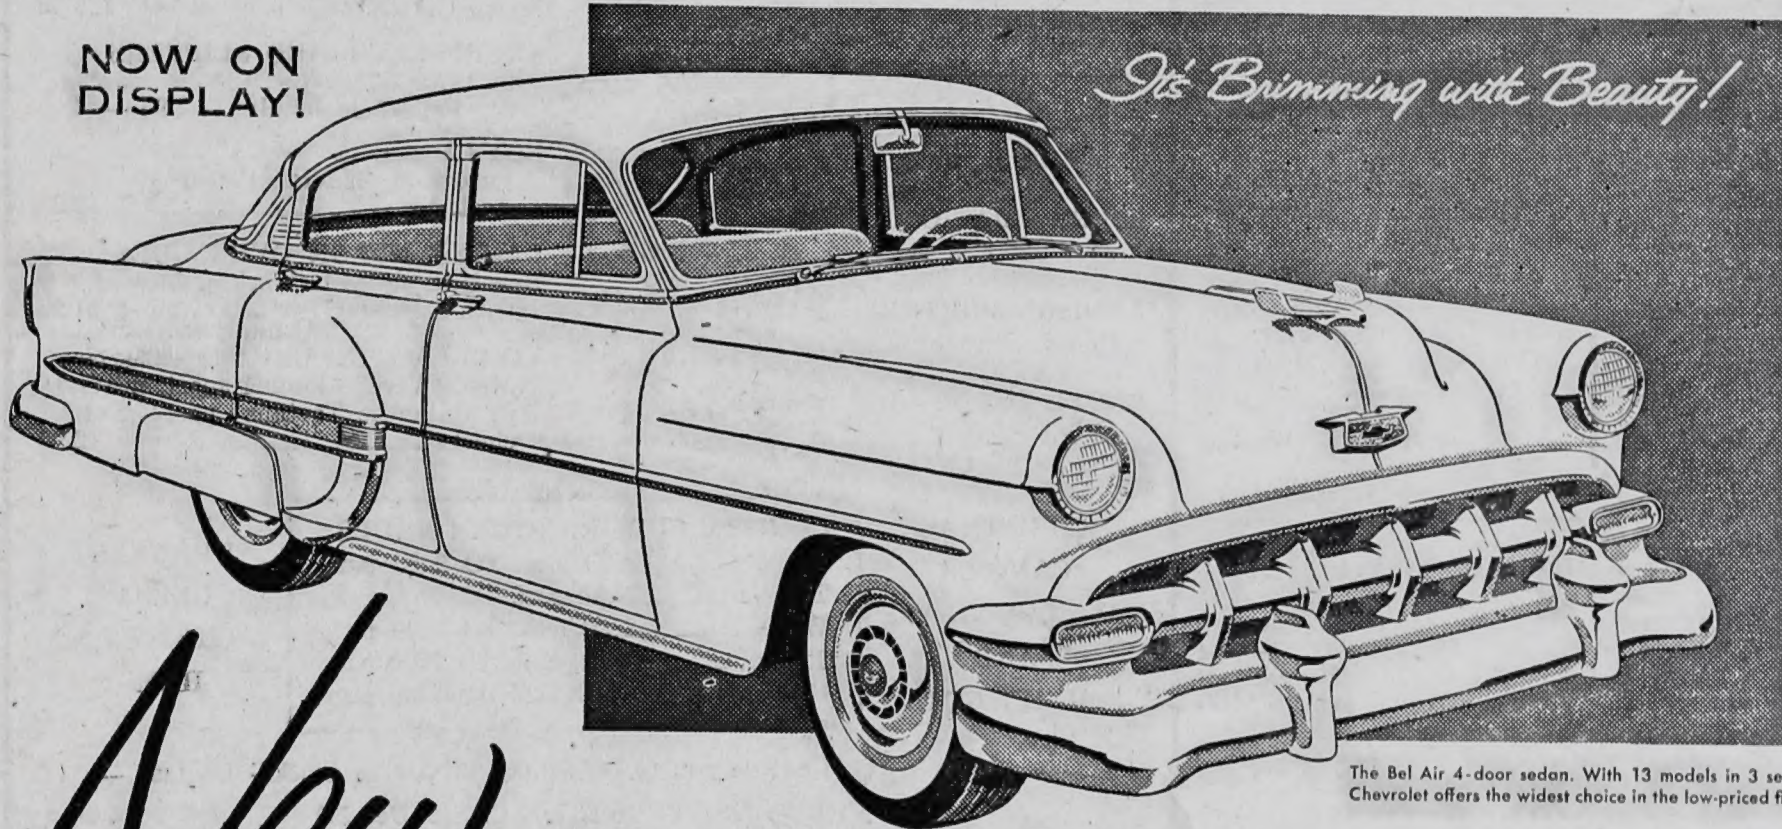

GELERT

Dec. 18 a Christmas Concert is coming up in the Public School. Don't forget it — it will be a pleasant evenings entertainment. — Come and bring your family to see — Santa Claus — rain or snow he'll be there.

The Community Hall is going to be the scene of activity — to dance after the concert.

Tommy Francis had his tonsils out last Friday in Haliburton Red Cross Hospital.

NOW ON
DISPLAY!

The Bel Air 4-door sedan. With 13 models in 3 series, Chevrolet offers the widest choice in the low-priced field.

New 1954 Chevrolet

More things more people want, that's why

*More People Buy Chevrolets
Than Any Other Car!*

Come see the most beautiful, most powerful Chevrolet ever built...the new car that combines great new performance with money-saving gas mileage!

This is what you're going to find when you come in to check over this new '54 Chevrolet: In every way, Chevrolet now brings you even more of the things you want.

More beauty with brilliant new styling in Body by Fisher and bright new color harmonies outside and inside the car.

More power and finer performance with new high-compression engine power in all models.

More comforts and conveniences, including the richest and most luxurious interiors

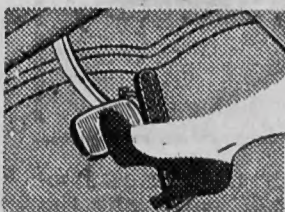

in Chevrolet history, and such new optional features as automatic electric window and seat controls.

And, thanks to advanced Chevrolet engineering, all this with new economy, too.

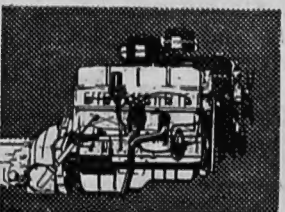

The fact is, you'll find that no other car offers so many things you want at such low cost.

The colorful, new 1954 models are ready for your inspection. Stop in and take a good look at the best-looking Chevrolet you ever saw... and your best buy for 1954!

Power brakes for easier stops

Chevrolet in the low-priced field brings you another great advance in driving ease — Power Brakes. Stopping is almost unbelievably easy and convenient — just a swing of your foot from accelerator to brake pedal! Optional at extra cost on all models.

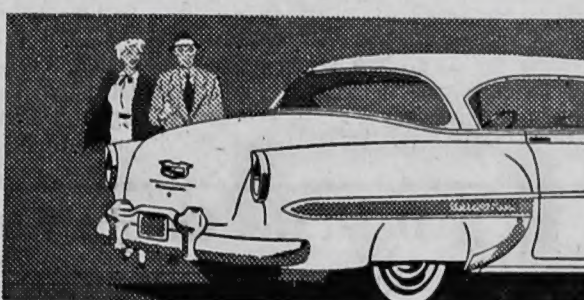

Thrifty new power in all models

Now Powerglide models offer the most powerful Chevrolet engine ever — the "Blue-Flame 125". Gearshift models have the advanced, more powerful "Blue-Flame 115". Both high-compression engines bring quieter, smoother and finer performance with important gas savings!

New, automatic window and seat controls

Now, at the touch of a button, front windows are electrically raised or lowered. Touch another conveniently placed control to move the front seat up and forward or down and back into your most comfortable position. Optional on Bel Air and "Two-Ten" models at extra cost.

New styling that will stay new

There's a new, lower, smarter look about this new 1954 Chevrolet. The new front-end and rear-end designs are even cleaner and more distinctive. Massive new bumpers extend even farther around the fenders. All around the car, new styling presents Fisher Body at its beautiful best.

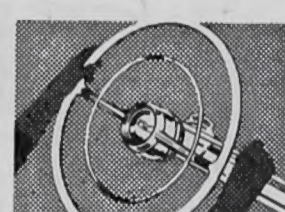

New interior richness

Here's the kind of quality you'd expect to find only in high-priced cars. Fine new upholstery fabrics with a more liberal use of durable, beautiful vinyl trim. New color treatments in harmony with the brilliant new exterior colors. Built-in arm rests on all Bel Air models.

New, lower price on Power Steering

Chevrolet Power Steering substantially reduced in price! That's good news to everyone. Chevrolet Power Steering does 80% of the work to give easy, sure control. It's optional on all models at extra cost.

New, wider choice of Powerglide models

Now, Powerglide automatic transmission is available on all models. Powerglide automatic transmission gives instant response and positive acceleration. Teamed with the "Blue-Flame 125" engine, it's optional at extra cost.

ed among the four churches of the district. A discussion of projects for the coming year followed, members being asked to prepare a list to bring to the meeting in Jan. The Guild will hold no meetings in Dec. Members are urged to patronize the various holiday festivals which the local organizations are offering. In this connection we urge especially that the Christmas Church services be remembered. — Also the schools of our district are presenting their Christmas Concerts. We expect Guild members will be very busy co-operating with various public and private enterprises for the next three weeks. Mrs. Morrison read the announcement of courses for night classes at the high school. — In the discussion which followed we were asked to talk with other residents re forming a class from West Guilford. Mrs. Pritch-

ard gave a talk on Quilting, illustrated by an article from The Canadian Home Journal. Mrs. Griffin gave a short talk on Ancient Egyptian Culture, referring to the writings of Alexander Moret, a discussion linking this with some of our modern ceremonies followed with all the members contributing. — Mrs. Pritchard served a delightful lunch. The next meeting will be in the auditorium of the school on Jan. 7. An election of officers will take place. —
